

CARE OPTIONS & COST

We provide the highest possible quality of service with respectful support and compassionate care.

We also provide 24 hours of complete care and on-call services for our clients through the services of our professional and experienced staff members who will uphold and respect the integrity and dignity of our clients.

Jubilee Home Care is insured, bonded, and trained Caregivers assist with tasks from Transportation to Appointments, Bathing & Personal Hygiene, Preparing Meals, Light Housekeeping, Errands & Shopping, Daily Activities, Maintain Safe Environment, Reporting Changes in patient condition 24/7

With **Jubilee Home Care**, our clients receive full attention unlike the Caregivers provided in Assisted Living facilities, Board & Care or Nursing Homes, where patient to caregiver ratios are approximately 12-15 to one.

For clients who need 24 Hours Care, the advantage of Home Care is the value of the level of care received. Whether your love one has Dementia, Alzheimer's, Parkinson's etc., Jubilee Home Care will be able to provide you with complete help even if the patient is in need of Medical Care.

Jubilee Home Care is affiliated with Home Health, Hospice, Durable Medical Equipment and Senior Placement and many more Health Services.
